

Authorized Learning Partner

Quality Training from NetApp's only Worldwide Authorized Learning Partner

Authorized NetApp Training 2010

Fast Lane is the only global NetApp Learning Partner. We offer the full NetApp curriculum in more than 50 countries and 12 languages. All our instructors are NetApp-certified specialists with extensive practical experience in the storage environment.

Customized Training

Our storage specialists relish the challenge of adapting training to suit your needs. We can even conduct all NetApp training at your company's location.

NetApp Training Units

NetApp Training Units (TUs) are accepted as payment for all Fast Lane delivered NetApp courses. Simply quote your NetApp PO number when registering for a course. One day of training requires 12 TUs per student.

NetApp Storage & Data Center Labs

NetApp training extends far beyond classroom theory, enabling every course participant opportunities to gain hands-on experience installing, configuring, and troubleshooting these systems. Fast Lane offers you unique lab environments for NetApp storage solutions.

NetApp Certifications

NetApp certification is proof that you have the skills necessary to manage and deploy NetApp technologies to best meet the needs of your company. Fast Lane delivers the courses you need to prepare for the certification you desire.
