# Fast Lane Room Rental - Germany

Rent and take off to success! With Fast Lanes training and meeting rooms throughout EMEA, you have the opportunity to give your event the right and impressive expression. All rooms are equipped with the latest technology and technical support is available around the clock. Lounges and buffets provide a certain feel-good factor. Furthermore our buildings are usually located within large parks, with surrounding restaurants and recreational areas. If you wish, we can organise your lunch break in a nearby restaurant or other catering services.
We offer you maximum flexibility in terms of room size, event duration and technical equipment.

### Overview of services:

- Full-HD Beamer
- Whiteboard and flipchart
- High-speed Internet access / WLAN
- High-performance PC with 16/32 GB main memory and 512 GB SSD plus 24-inch monitor
- Individual software installations and configurations
- Parliamentary classroom table arrangements (fixed, not changeable)

*Services may vary depending on location*
